Headteacher: Mrs. Amanda Woolcombe

18th March 2020

Dear Parents and Carers

Thank you all for your rapid response this morning. We have closed today as a precautionary measure on the advice of Public Health England.

At the current time we have 74 pupils that are absent due to self-isolating and three children today displayed symptoms in school.

Public Health have advised that a deep clean of the entire site takes place and this is currently being organised. This is a precautionary measure and will consist of both a deep clean and fogging. Fogging involves a chemical application that destroys germs. It is envisaged that both procedures will take place as soon as possible and the school will re-open once this is completed. As soon as we have the timescale from the specialist cleaning company who are assessing the site this evening, we will communicate with you all.

Thank you again for your patience and support in this matter. Staff have been working incredibly hard to organise home learning packs for all year groups and these will be available on the school website from tomorrow. There will also be information on the website explaining how to access and use the SEESAW App (you will receive the code by email or text if your child has not already brought home a hard copy).

In the meantime please be re-assured that we remain highly vigilant and the safeguarding and welfare of all our children is our highest priority

Yours sincerely

Mrs A Woolcombe
Headteacher
