

My Social Distancing Story

**A lot of people are talking about something called
Coronavirus.**

Everyone is working hard to feel safe and be healthy.

I need to wash my hands A LOT so that I can stay healthy.

**When I wash my hands, I can sing "Happy Birthday," or
count to 20!**

**This will make sure my hands are clean and I stay
healthy.**

Social distancing means I cannot be close to other people.

Another thing I can do to stay healthy and safe is called **social distancing**.

Social distancing might make me feel worried or sad.

If I feel this way, I can always talk to someone that will help make me feel better.

This will be over soon!

Social distancing will help keep everyone happy, healthy, and safe!
